

## Authorization to Perform Background Check

I am interested in serving in the a ministry to minors through a Homeschool Co-op at Community Church of Chesapeake in a capacity that involves the direct supervision and/or care of children participating in church-sponsored activities. I understand that it is church policy to check the National Registry of Sex Offenders as well as a criminal background check for all children's ministry workers (including nursery/childcare services, Sunday School programs, youth activities, Homeschool co-op and other children's programs).

Background checks are performed by an independent, professional agency to investigate and verify my employment history, criminal record, residence history, and references. I will hold no person liable for giving or receiving information in this investigation. The results of all checks will be held in strict confidence. Any concerns identified by a background check will be discussed privately between a pastor and the person that was subject to the check. The church will retain a confidential copy of the background check for their records.

I hereby state that the information supplied below is true and correct, to the best of my knowledge. I understand that false or misleading information given in my application and/or interview(s) will be considered as cause for refusal to serve in a position involving the supervision and care of children. I authorize Community Church of Chesapeake to use the information I have provided to conduct a background check through a security agency. I do NOT authorize the church to use the information provided below for any purpose other than the background check without my express permission. Nor do I authorize the results of the investigation to be disclosed to anyone outside of the church pastoral staff.
